La Lorraine se situe au coeur de l'Europe. This system was to be controlled in a feudalist fashion by the central banks of the world acting in concert, by secret agreements arrived at in frequent meetings and conferences... Each central bank... Sought to dominate its government by its ability to control treasury loans, to manipulate foreign exchanges, to influence the level of economic activity in the country, and to influence cooperative politicians by subsequent economic rewards in the business world.

Kingdom Glorification VI (10+3 MDGC Book Book 31)

Shortly after their first arrival in England, which is upwards of three centuries since, a dreadful per-secution was raised against them, the aim of which was their utter extermination, for the being a Gypsy was esteemed a crime worthy of death, and the gib-bets of England groaned and creaked beneath the weight of Gypsy carcasses, and the miserable sur-vivors were literally obliged to creep into the earth in order to preserve their lives.
