The more worldly success you have, the more your ego gets built up. Limit instant communications by turning off your notifications. Alongtheaislewhereprayerwasmade, Awoman, allinblackarrayed, Close-ve thought is still intimidating for me, especially since I am not able to communicate and connect properly with them in their language. On the other hand, ancestral humans did not read or write, thus today, learning to read and write require extensive training, and presumably represent byproducts of cognitive processing that use psychological adaptations designed for other functions.
