Earn money for schools or charities by recycling Founded by a 20 year old college student, a company called TerraCycle collects lots of used plastic and other packaging and products such as candy wrappers, drink pouches, cereal bags - even lap tops and digital cameras. Try this; all of you visualise a one-legged Norwegian dwarf going into a bookshop. Together they succeed in comically befuddling a population which denies the devil's existence, even as it is confronted with the diabolic results of a magic act gone wrong.
