Tech companies used to let minor patent violations slide, but the rise of patent-hording trolls has changed. The distinctions between genres and categories are flexible and loosely defined, often with subgroups. By:Carls. A companion series of calendars of the Court Minutes and other home papers including documents in the Public Record Office was also commenced, the text being compiled by Miss E. Cuz any day would be better than today. Magical realism that seduces the reader from beginning to end. Without breaking any confidences by telling you what any specific client pays, here is the amount of blogging I do for paid clients in a month: 12 posts a month for Entrepreneur under my byline 22 or so posts a month for BNET under my byline 4 posts a month for a small-business-finance client, half-ghosted, half my byline 4 existing blog posts rewritten for the same client, to conform to good blogging style, add images, links.
