When I told him that I would not be filing a restraining order against my husband, he then changed the story again by saying that all I had to do was sign a release form, and he would come and pick my son up in the morning and take him to the appointment. This led to an excessive cult of form in the narrow sense-as exemplified by the elegant but somewhat bloodless essays elzeviri published in Itn newspapers on page three-and obviously fitted in with the stifling of free expression under fascism. Join them for a conversation about their most recent sci-fi novels.
